LAND FOR SALE IN SHEFFIELD, SOUTH YORKSHIRE

LAND OFF BAWTRY ROAD (A631), SHEFFIELD, S9 1WA

PART OF A DISUSED PRIVATE SPORTS GROUND FOR SALE WITH DEVELOPMENT POTENTIAL
CLOSE TO SHEFFIELD, ROTHERHAM, THE PEAK DISTRICT AND THE M1 MOTORWAY

A unique opportunity to purchase a valuable parcel of land on the eastern edge of Sheffield, close to the Meadowhall shopping centre.

Measuring 0.75 acres, the land lies off the A631, Bawtry Road and forms part of a disused private sports ground. With an abundance of public recreational facilities now available nearby – including the neighbouring Sheffield Hallam University Sports Park – the site could have the potential for development.

In fact, in 2012, the land was considered as an option for new housing by Sheffield City Council.

The site is well served by transport links being close to both the M1 and Sheffield train station. These provide fast and direct links to other major cities such as Leeds, Nottingham, Manchester and London.

The site lies on the eastern edge of Sheffield, west of Brinsworth and north of Tinsley and just 5 minutes from one of the largest shopping centres in the UK - Meadowhall, home to 290 stores and a large variety of restaurants.

Further amenities can be found in Sheffield; one of the eight largest regional English cities that make up the Core Cities Group. It is home to two well respected universities.

Directly to the west of the city is the Peak District National Park, which attracts millions of visitors every year. The park offers breath-taking views and fantastic opportunities for pastimes such as walking, horse riding, cycling and wildlife watching. It is also home to the famous Chatsworth House.

The site is well served by transport links. Junction 34 of the M1 lies just to the west, linking the site with London to the south and Leeds to the north.

Major railway routes through nearby Sheffield train station provide regular, direct and fast links into the major cities of Leeds, Nottingham and Manchester. London St Pancras International can also be reached in a little over 2 hours, providing connections to continental Europe.

LOCAL DEVELOPMENT

Due to a shortage of housing in the area, Sheffield City Council has to identify sites for new housing,

The land for sale formed part of a larger site that was considered an option for new housing back in 2012.

The original site measured approximately 8 acres and had an estimated dwelling capacity of 95 dwellings. Prorated, this site could have an estimated capacity for 9 new homes.
