TA/2022/535). This also includes a change of use of land from agriculture to equestrian.

The land is situated within the Tandridge Green Belt. Any further development or change of use would be subject to any appropriate permissions.

## LOCAL AUTHORITY

Barn development close to the land for sale.

## PROPERTY PRICES

The land is situated within an extremely affluent area. Property prices in Newchapel are 44% above the county average and **147% above the national average** (Source: Zoopla).

These premium house prices reflect the desirability of the area as a place to live and own property – including land.

## PERMITTED DEVELOPMENT FOR BARNs

Under “Class Q”, it is possible to develop agricultural buildings, and any land within its curtilage, into homes without needing to apply for planning permission.

Development is permitted if the agricultural building has been in use for at least 10 years. The maximum floorspace that can be developed is 465m<sup>2</sup>, which can be divided into up to five separate dwellings.

## DEVELOPMENT OF AGRICULTURAL BUILDINGS

There are several examples on the local council’s website of agricultural buildings successfully gaining permission to convert into residential dwellings. Most notably the following are within a mile of the land for sale:

## LAND VALUES

**Pasture land prices in the region are 14% higher than the average as land values rose again last year**, despite numerous challenges in the local market & global economy. This once again shows the inherent resilience of agricultural land as a tangible asset.

With a wide range of potential uses, agricultural land remains an attractive investment for a diverse range of buyers.

This is supported by the fact that, **in the past 5 years, land values have risen by 31%**, outperforming the FTSE 100, UK property prices and interest from savings in the bank.

These rises are driven by historically low levels of land availability, as demand continues to outstrip supply.

The land includes a charming tree-lined pond.

## METHOD OF SALE

The land is offered for sale by private treaty. The freehold is available with vacant possession on completion.

## MORE LAND AVAILABLE

For the golfing enthusiast, Horne Park, Copthorne & Chartham Park golf courses are all nearby.

## EQUESTRIAN

The area is well-suited for horse riding with a network of bridleways close by, the closest of which are off Clay Lane (0.4 miles to the south) and Tedham Lane (1.4 miles to the north).

Nearby Lingfield is perhaps best known for its racecourse, which holds many events throughout the year. As well as being a popular racecourse, Lingfield Park Resort also boasts a luxury hotel, country club, golf course and spa.
